WOODFIRE PIZZERIA RESTAURANT

www.valentinoswoodfire.com

Valentino's Woodfire Pizzeria Restaurant was established by husband and wife team Mark and Mirella Flammia with their children Lorenzo, Franco, Anthony and Romina in November 2001.

Originally in High Street, Penrith with a 50 seat restaurant, the locals enjoyed the great home-style Italian cuisine with a friendly family atmosphere. The popularity of Valentino's grew such that customers were queuing outside to be a part of the family for the evening. Over the years it became obvious that the only problem with Valentino's was that it was refusing more customers that it was seating due its small capacity.

This demand prompted action from the family to increase the size of its "family table". The result was a move to York Road, Penrith, which now allows for up to 180 people. Although the size of the restaurant has increased, the same home-style food and friendly family atmosphere has not been compromised and all the family is still a part of the team.

Valentino's Woodfire Pizzeria Restaurant will continue to strive for excellence so that Mirella Flammia's legacy will forever live on.

In loving memory of

Mirella Flammia 27/11/1953 - 24/04/2012
